

Maths:

This half term we will be covering the following topics:

Division

Length and height

Mass, Capacity and temperature

Geography:

This half term in Geography we will be learning to answer the following questions:

Key Question: Where are our 7 continents and how are they different? Where are our oceans? What are the similarities and differences between life in London and Kathmandu?

We will be learning to name the 7 continents and 5 oceans

We will be identifying physical and human features in London

We will be able to locate Nepal and Kathmandu on a world map

We will be comparing Kathmandu with London

We will be comparing our school with a school in Nepal

We will be learning about the human and physical features of Mount Everest.

Science:

In Science we will be learning to:

- Observe seeds growing/what seeds need to grow.
- Observe and describe how seeds and bulbs grow into mature plants.
- Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

English:

In English, we will be learning to:

Write setting descriptions

Write the beginning of a story

We will be learning to use a variety of different sentence starters in our writing.

Computing:

In computing we will be learning to:

The children will begin to understand what the term data means and how data can be collected in the form of a tally chart. They will learn the term 'attribute' and use this to help them organise data. They will then progress onto presenting data in the form of pictograms and finally block diagrams. The children will then use the data presented to answer questions.

Nepal

Art:

In Art this half term we will be learning to:

Draw detail through pattern, lines and textures.

Create pattern using print blocks

P.E In P.E this half term we will be learning to:

Develop and improve footwork patterns, coordination, object manipulation and control while travelling.

Practise and improve their control and consistency in dynamic balance and counter balance, agility and footwork, and object manipulation.
