[Eco Club](#)

[Premier Sport Netball & Basketball](#)

[Premier Sport Tennis](#)

[Premier Sport Throwing & Catching](#)

[Premier Sport Tag Rugby](#)

Dear Parents and Carers,

It has been an absolute pleasure to have been welcomed into the Broadmayne community this week. The children have shown true kindness by introducing themselves and smiling at me whenever they see me. This has certainly helped with the challenge I have made myself, to know everyone's name in 2 weeks! All children have embraced the change of a new headteacher brilliantly and they should all be very proud of themselves. I am looking forward to the year ahead and being part of every child's learning journey as they progress through the year.

Staff News

I am not the only new face that you will spot working with the school this term. I am pleased to announce that we have welcomed 6 new members of staff. Mrs Dunford will be working alongside Mrs Crumbleholme in Reception. Mrs Tindell and Mrs Costelli will be supporting in Year 3 and Mrs Stanborough along with Miss Rashleigh will be working in Year 4. Mrs Clarke also joins the Broadmayne family and can be spotted serving our hot school meals as well as supporting in Reception on a Friday. They have all made a great start to life at Broadmayne and we welcome them into our community.

Dates for the diary

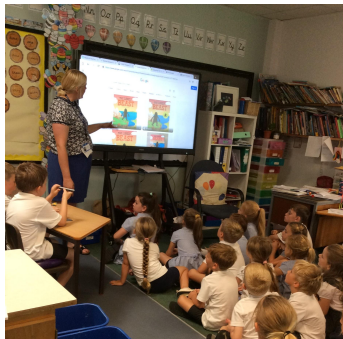

Please check the school calendar attached below for some whole school events coming up shortly and advance notice for things happening later in the year. We will continue to add to the diary each week, so please keep an eye out.

Our Golden moments this week

Our new Reception children have embraced school life and have settled well into their classroom routines. It is amazing to think that they are only a couple of days into their school journey. Year 1 have sorted objects in various ways and have come up with their own criteria for sorting, which was very impressive to watch. Year 2 have knocked my socks off with their wonderful writing, whilst year 3 could tell me what a digital device was and explain the 'input - process - output' when making a digital device work. Year 4 have been super scientists and have started our exploration of states of matter. I cannot wait to find out all about them as their learning continues.

Here are some of our golden moments from the week:

Invitation to Meet the Teacher

We would like to give parents and carers the opportunity to meet new staff, explore the classroom and find out more about the year ahead. These are being held on the following days:

Tuesday 12th September at 2.45pm - Reception, Year 1 and Year 2.
Wednesday 13th September at 2.45pm. - Year 3 and 4.

We hope to see as many of you as possible so that you can find out more about the year ahead and how to help and support your child/ren this year.

Start of the Day

A gentle reminder that our classroom doors open at 8.45am and will be closed promptly at 9am. This is when registration and teaching begins. If you arrive after 9am you will need to bring your child in via the school office as they must be signed in separately. Please do not allow them to come in via the other school doors as they can sometimes be missed from the register and for safeguarding reasons we need to have all children on site registered.

Flu Immunisation

You will have received a letter via email to invite your child for the flu immunisation clinic which will be held in school on Friday 22nd September. The letter will include a link for you to give consent for the vaccination - children cannot be vaccinated without this consent, so please look out for the email.

Swimming Pool

An enormous thank you to our FABS and their fabulous team of Reach and Rescue volunteers who have kept the pool up and running over the holidays, and who have given up their time to open the pool for our community to enjoy. Having seen the weather forecast for the next few days, the pool will hopefully continue to be open after school for swimming - please check the FABS Facebook page for more updates.

And finally.....

We give thanks for the love and friendship of our new pupils and their families. May all our new staff, children and families make many friendships within our school community. We look forward to a wonderful school year ahead. I have been especially delighted to start my headship journey here. I am looking forward to working with our whole community as we continue to work together for the children at Broadmayne First School. Exciting times!

Best wishes,
Mrs Jordan-Gill
